Re: Invitation to RFP Presentation, RFP #YH24-0002, H2O PA RFP

Dear Mr. Stansbury and Mr. Chase,

Solari is invited to provide AHCCCS a presentation on its proposal as it relates to the above named solicitation. Your presentation will be scheduled on the following date and time:

FRIDAY June 7, 2024 9:30 am - 11:30 am Arizona time

AHCCCS will send a formal agenda with specific topics in the coming week along with additional meeting instructions

Presentations will be held virtually and will be approximately 1.5 – 2.0 hours in length and will include time for questions and answers. You are welcome to invite any individuals from your organization, or that of your proposed subcontractor, who are best able to speak on behalf of Solari as it relates to your submitted proposal, however we ask that you restrict the individuals to only employees of your organization, or your proposed subcontractor's organization, and not outside staff or consultants. Once the agenda is sent, we will give you some time to confirm which individuals you will be inviting, along with email addresses, and will add them to the virtual meeting invite.

Thank you and we look forward to seeing you virtually on June 7th.

Sincerely,

M. LaPorte

Meggan LaPorte, MSW CPPO
AHCCCS Chief Procurement Officer
