RE: Solicitation #YH24-0041 – Housing and Health Opportunities (H2O) Services Program Administrator (PA)

Ms. LaPorte,

Solari Crisis and Human Services (Solari) is pleased to respond to AHCCCS' H2O Services PA AHCCCS members who are homeless or at risk of becoming homeless. This RFP provides an exciting opportunity to continue our longstanding partnership with AHCCCS to assist members in securing housing and providing innovation regarding Health Related Social Needs services and funding.

Solari has been providing services to Arizona residents for 17 years and has been operating the HMIS for Maricopa County and the Balance of State since 2016. Solari has in-depth insight into the Arizona housing system to utilize for this project and has partnered with Banner University Family Care for assistance regarding the administrative requirements related to the required intricate provider network. Solari has already been chosen as the Administrative Operator for Data Warehouse Enterprise for Linkage Arizona which includes establishing a statewide data warehouse to integrate systems of care for individuals experiencing homelessness. Solari has successfully implemented other programs requiring heavy lifts such as the COVID-19 Navigation Line and Serious Mental Illness/ Serious Emotional Disturbance (SED) determinations which included working through a backlog of SED determinations.

Solari looks forward to the opportunity to provide these critical services to Arizonans, in accordance with the terms and conditions set forth in RFP # YH24-0041.

I am the principal contact for this proposal. My email is Justin.Chase@solari-inc.org and fax number is (602) 633-0520.

Sincerely,

Justin N. Chase, LMSW, CPHQ, FACHE
