Notes

- Enrollment counts are as of January 2025 and include individuals receiving comprehensive Medicaid benefits; individuals enrolled in KidsCare, those receiving only Medicare cost-sharing, and similar groups are excluded. Comparisons to total district populations are based on 2023 estimates from the Census Bureau's American Community Survey (the most recent data available).
- Diagnosis counts reflect individuals who received any treatment for the reported conditions during federal fiscal year 2024 (October 1, 2023 through September 30, 2024).
- Spending figures include payments made for services (both by managed care organizations and by AHCCCS through fee-for-service) for district residents and as well as supplemental payments to hospitals in federal fiscal year 2024 (October 1, 2023 through September 30, 2024).
- Figures in some tables may not sum due to rounding.
