

Learn about AHCCCS' Upcoming Initiatives

The Arizona Health Care Cost Containment System (AHCCCS) is hosting an online community forum to inform the community and gather feedback on upcoming AHCCCS initiatives.

Topics: Arizona Long Term Care System - Elderly and Physically Disabled (ALTCS-EPD) Health Plan Readiness and Member Transitions, Arizona Complete Health/Care 1st Transition, Olmstead Plan Updates, and Advanced Directives.

We look forward to hearing from AHCCCS members, family members, advocates, community members, providers, and stakeholders at this month's community forum.
