Fraud and Member Exploitation

Member Exploitation and Fraudulent Billing

May 16, 2023 Announcement

- More than 100 providers suspended from Medicaid payments based on credible allegations of fraud
- ~7,000 members potentially impacted
- [List of suspended providers](#)
- [Fact sheet \(6/14/23\)](#)
- [Press release](#)

The screenshot shows the AHCCCS website with a navigation menu (HOME, AHCCCS INFO, MEMBERS/APPLICANTS, PLANS/PROVIDERS, AMERICAN INDIANS, RESOURCES, FRAUD PREVENTION, CRISIS?) and a search bar. The main content area features a news article from May 16, 2023, titled "AHCCCS Suspends Payments to Behavioral Health Providers Based on Credible Allegations of Fraud". The article includes a "Fact Sheet: AHCCCS Provider Payment Suspensions" and a "Background & Findings" section. The fact sheet lists contact information for Cliff Summerhill, PIO, and provides a link to the fact sheet. The background section details the investigation and findings, including the suspension of payments to more than 100 registered providers of Medicaid services based on credible allegations of fraudulent billing activities. The article also mentions that the total number of suspensions is expected to increase as the investigative process evolves. A list of these suspended providers, along with prior suspensions since 2019 and provider terminations since May 1, 2023, is posted on the AHCCCS Provider Suspensions and Terminations web page. The article concludes with a note that this list will be updated regularly. A federal regulation 42 CFR 455.2 is cited, stating that a credible allegation of fraud may be an allegation, which has been verified by the State, from any source, including but not limited to the following:

- (1) Fraud hotline tips verified by further evidence,
- (2) Claims data mining, or
- (3) Patterns identified through provider audits, civil false claims cases, and law enforcement investigations. Allegations are considered to be credible when they have indicia of reliability, and the State Medicaid agency has reviewed all allegations, facts, and evidence carefully and acts judiciously on a case-by-case basis.

State Plan Amendments

Ruben Soliz, Federal Relations and Health Policy
Advisor (for the State Plan)

Division of Community Advocacy and
Intergovernmental Relations

Overview of State Plan/ State Plan Amendments (SPAs)

- Each state has a Medicaid state plan that describes how the state will administer its Medicaid program.
- The State Plan is the basis for federal financial participation in the Medicaid program, attesting to the State's compliance with federal regulations.
- In order to alter a State Plan, states must submit State Plan Amendments (SPAs), and receive approval from CMS.

SPA Updates - Recent Approvals

- Former Foster Care Children (FFCC) Eligibility Group
Attests to the state's compliance with the SUPPORT Act (2018) requirements for mandatory coverage of the FFCC group.
- Postpartum Continuous Coverage
Allows for 12-months of postpartum continuous coverage in Medicaid and CHIP.
- Community Health Worker (CHW) Services
Establishes Medicaid reimbursement for CHW services.

SPA Updates - Recent Submissions

- Other Provider Rates: This SPA updates the reimbursement methodology for calculating the FFS rate for alcohol and/or drug services; intensive outpatient.
 - The rate was previously calculated as a percentage of provider charges.
 - The new rate is \$157.86.
 - The new rate is comparable to the rate set by MCOs.
- Long Acting Reversible Contraception (LARC) Rates: Updates the rate for LARC to align with their wholesale acquisition cost.

1115 Waiver Update

Shreya Arakere, Federal Waiver and Evaluation
Administrator

Division of Community Advocacy and
Intergovernmental Relations

Section 1115 of the Social Security Act

- Allows states flexibility to design Demonstration projects that promote the objectives of the Medicaid program,
- Demonstration projects are typically approved for a five-year period and can be renewed every five years, and
- Must be budget neutral, meaning that federal spending under the waiver cannot exceed what it would have been in absence of the waiver.

Parents as Paid Caregivers of Minor Children

Parents as Paid Caregivers

- 2020:
 - In response to COVID-19 PHE, AHCCCS submitted and received approval for an Appendix K waiver amendment to allow for payments to parents providing caregiving services to minor children.
 - Currently, this program authority extends through November 11, 2023.
- 2023:
 - Based on stakeholder feedback, the agency plans to request authority to make this a permanent feature of the ALTCS program.

Parents as Paid Caregivers

- **Eligible Individuals:** Eligible minor Arizona Long-Term Care (ALTCS) members who require home and community-based services (HCBS).
- **Benefits:**
 - Allows legally responsible parents to receive payment for “extraordinary” direct care services (attendant care, personal care, and homemaker services) approved under the 1115 demonstration waiver, and
 - Parents would be limited to 40 hours of paid care, per child, in a given week and cannot exceed more than 16 hours in a single day.

Parents as Paid Caregivers

- Parents who do provide these services must meet all direct care worker requirements as established by AHCCCS policy including:
 - Being employed/contracted by an AHCCCS Registered Direct Care Service Agency,
 - Passing specific direct care worker competency tests, and
 - Demonstrating compliance with Electronic Visit Verification (EVV) per the 21st Century Cures Act
- Parents who provide these services must also maintain quarterly in-person case management visits as well as agency supervisory visits.

Extended Family Support & Home Care Maintenance

- As an auxiliary support to the PPCG proposal, the Agency is proposing to establish a home care training family support (family support) service for the long-term care population
- Currently, a comparable service is available to AHCCCS members with a behavioral health need under the rehabilitation benefit in the agency's State Plan

Extended Family Support & Home Care Maintenance

- **Eligible Individuals:** Primary caregivers of children and adults enrolled in the Arizona Long Term Care System who are residing at home.
- **Benefits:** Family supports may involve activities such as:
 - Assisting the family to learn skills related to adjustment to the member's disability or aging process or significant life events or transitions,
 - Enhancing and improving the health and wellbeing of the member and family unit,
 - Navigating the healthcare system,
 - Self-advocacy, and more.

Parents as Paid Caregivers - Goals

- Mitigate DCW shortage and other access to care challenges by allowing payments to parents who serve as paid caregivers for their minor children,
- Increase member satisfaction and promote positive health and well-being outcomes for the target population,
- Extend an additional support service to restore, enhance, and maintain family functioning to preserve effective care for the member in the home and community, and
- Ensure that members receive high-quality care while increasing timely accessibility to care providers.

Parents as Paid Caregivers - Future Steps

- Upon CMS approval, the following operational and system modifications will be implemented:
 - Policy Revisions
 - MCO network development for the family support service
 - Case Manager Training
 - Member and family member education and outreach

Feedback on the Proposed PPCG Program

- What questions or concerns do you have regarding the proposed PPCG program?
- What potential impacts on your community would you like to share?
- What factors should AHCCCS be considering as we think about implementing this program?
- What, if any, additional AHCCCS resources are needed to ensure a culturally relevant implementation?

Parents as Paid Caregivers Resources

- More information on the Parents as Paid Caregivers Waiver Amendment can be found at <https://www.azahcccs.gov/Resources/Federal/PendingWaivers/ParentCareGivers.html>.
- The web page includes a summary of Arizona's Demonstration amendment request & the schedule (dates and times) of public forums across the state.
