Reimbursement to IHS/638 Facilities

- The proposed 5% reduction in fee-for-service payments is expected to have minimal impact on IHS facilities and tribally-operated 638 facilities and programs
- Services provided by IHS/638 facilities to AIHP Title XIX (Medicaid) members are reimbursed at the IHS inpatient per diem or the all-inclusive outpatient rate
- This reimbursement consists of 100% federal funds and is **not** affected by the 5% fee-for-service rate reduction

Reimbursement to IHS/638 Facilities, Continued

- Services provided by IHS/638 facilities to AIHP Title XXI (KidsCare) members are reimbursed at the AHCCCS fee-for-service rate
- Pro fees for inpatient services in IHS/638 facilities also are reimbursed at the fee-for-service rate.
- These rates **are** subject to the 5% reduction
