

Name Change to Provider Type A4- Licensed Independent Substance Abuse

September 23, 2024

Effective 09/14/2024, as a result of SB1062 the title "Licensed Independent Substance Abuse Counselor" (LISAC) changed to "Licensed Independent Addiction Counselor". As a result, AHCCCS changed the name of the provider type to match the new license title. The provider type for AHCCCS Provider Enrollment will remain "A4" and reflect the new title.

Since this is only a name change, providers with an A4 provider type will not be required to do anything to update their AHCCCS records. **AHCCCS is not requiring providers to take any action on their AHCCCS Provider Enrollment, as it relates to the title name change.**

The new title will present in the AHCCCS Provider Enrollment Portal (APEP) as follows:

Previous:

LIC INDEP SUBSTANCE ABUSE COUNS (LISAC)

New:

LIC INDEP ADDICTION COUNS (FORMER LISAC)
