Introduction and Limitations

The purpose of this capitation rate notification document is to provide documentation of the data, assumptions, and methodologies used to allocate a delivery system and provider payments initiative (i.e., state directed payment), the Arizona Health Care Cost Containment System (AHCCCS) Hospital Enhanced Access Leading to Health Improvements Initiative (HEALTHII), across the Contract Year Ending 2022 (CYE 22, October 1, 2021 through September 30, 2022) capitation rates for the Comprehensive Health Plan (CHP) Program.

The HEALTHII payments are payments under 42 CFR § 438.6(c)(1)(iii)(B), as codified in the 2016 Medicaid and Children’s Health Insurance Program (CHIP) Managed Care Final Rule. This capitation rate notification document was prepared for Centers for Medicare & Medicaid Services (CMS), or its actuaries, for review of the HEALTHII payments allocation methodology. This capitation rate notification document also provides the CYE 22 CHP Program capitation rates with and without the HEALTHII payments for CMS review. This capitation rate notification document may not be appropriate for any other purpose.

This capitation rate notification document may also be made available publicly on the AHCCCS website or distributed to other parties. If this capitation rate notification document is made available to third parties, then this capitation rate notification document and the original rate certification along with any amendments should be provided in their entirety. Any third party reviewing this capitation rate notification document and capitation rate certifications should be familiar with the AHCCCS Medicaid managed care program, the provisions of 42 CFR Part 438 applicable to this rate certification, the 2021-2022 Medicaid Managed Care Rate Development Guide (2022 Guide), Actuarial Standards of Practice and generally accepted actuarial principles and practices.

CMS has yet to release a rate development guide for capitation rate updates related to payments under 42 CFR § 438.6(c). In lieu of having an official guide to follow, AHCCCS will follow the 2022 Guide for organizing this capitation rate notification document. The 2022 Guide describes the rate development standards and appropriate documentation to be included within Medicaid managed care rate certifications. In particular, Section I.4.D. covers state directed payments and it is this section that will contain the capitation rate notification documentation. Sections of the 2022 Guide that do not apply will be marked as “Not Applicable” and will be included in this rate notification document for completeness.

I.4.D.ii. Appropriate Documentation

The following sections of the 2022 Guide, Section I.4.D.ii.(a)(i) through Section I.4.D.ii.(a)(iii), were provided in the CYE 22 CHP Program Capitation Rate Certification as signed by Bradley B. Armstrong on August 11, 2021. These sections are being provided again to facilitate CMS' review, updated as necessary to provide additional information. There was one amendment to the CYE 22 rate certification which did not impact HEALTHII. The amendment was signed on January 6, 2023, relating to costs associated with the American Rescue Plan Act Home and Community Based Services Behavioral Health Outpatient directed payment.

I.4.D.ii.(a) Description of State Directed Payments

I.4.D.ii.(a)(i) Type and Description of Directed Payment Arrangements

The HEALTHII delivers a uniform percentage increase to hospitals for acute inpatient and ambulatory outpatient contracted Medicaid Managed Care services. The HEALTHII uniform percentage increases are based on a fixed payment pool that is allocated to each hospital class based on the additional funding

CYE 22 Capitation Rate Notification – HEALTHII, CHP Program

needed to achieve each class' aggregate targeted pay-to-cost ratio for Medicaid Managed Care services. The increase is intended to supplement, not supplant, payments to eligible providers.

I.4.D.ii.(a)(ii) Directed Payments Incorporated in Capitation Rates

Not applicable to the HEALTHII for the CYE 22 CHP Program rate update.

I.4.D.ii.(a)(iii) Directed Payments Under Separate Payment Arrangement

The HEALTHII was not included in the CHP certified capitation rates and has been paid out via lump sum payments.

I.4.D.ii.(a)(iii)(A) Aggregate Amount

The original estimates of anticipated payments, including premium tax, for HEALTHII were approximately \$8.6 million. AHCCCS distributed the total payment via four interim quarterly lump sum payments to the Contractor, and a final redistribution of the payment based on actual CYE 22 utilization after the completion of the contract year. The total payments paid through the CHP Contractor for the HEALTHII were approximately \$8.1 million, inclusive of premium tax.

I.4.D.ii.(a)(iii)(B) Actuarial Certification of the Amount of the Separate Payment Term

The actuary certified to the aggregate directed payment estimates as actuarially sound according to 42 CFR § 438.4 in the original rate certification. The original estimates were based on projections of future events. This notification document incorporates the actual final aggregate payments by rate cell and the AHCCCS actuaries certify the final payment amounts by rate cell as actuarially sound according to 42 CFR § 438.4.

I.4.D.ii.(a)(iii)(C) Estimated Impact by Rate Cell

Appendix 1 shows the total HEALTHII dollars paid, including premium tax, by rate cell. Appendix 2 shows the HEALTHII payments by rate cell as if they had been incorporated into the capitation rates as PMPMs. Totals may not add up due to rounding.

I.4.D.ii.(a)(iii)(D) Preprint Acknowledgement

These payments were made under the approved HEALTHII 42 CFR § 438.6(c) payment arrangement in a manner consistent with the preprint approved by CMS (inclusive of any/all correspondence between the state and CMS regarding the preprint).

I.4.D.ii.(a)(iii)(E) Future Documentation Requirements

AHCCCS is submitting this notification documentation to CMS which incorporates the total amount of the HEALTHII payments into the rate certification's rate cells, consistent with the distribution methodology described in the preprint approved by CMS. The capitation rates with and without the HEALTHII payments can be found in Appendix 2.

I.4.E. Pass-Through Payments

Not applicable to the HEALTHII for the CYE 22 CHP Program rate update.

I.5. Projected Non-Benefit Costs

Not applicable to the HEALTHII for the CYE 22 CHP Program rate update.

I.6. Risk Adjustment and Acuity Adjustments

Not applicable to the HEALTHII for the CYE 22 CHP Program rate update.

Section II Medicaid Managed Care Rates with Long-Term Services and Supports
