

CYE '09 Acute Data Supplement

**Crosswalk from the Service Matrix Categories to
Capitation Calculation For Rates Sheet (CCFR)**

The table below provides a crosswalk from the information contained in the Encounter Utilization Reports to the Capitation Calculation for Rates Sheets (CCFR) that will be used to submit the capitation rate bids. The Encounter Utilization Reports are organized by the categories listed below under the heading “Service Matrix”. The table below also crosswalks the Service Matrix and CCFR to the financial expense information provided in this supplement. Note: See the Service Matrix in Section D for a description of the units counted and the selection criteria. See Section F for examples of the CCFR screen layouts. See Section J for financial information for capitated members.
