If this is not the current letter, when do you think the current LOI will be available for our ALTCS RFP?	10/29 – A new LOI is being reviewed now and should be available shortly. You will need to use the approved LOI. Thank you.
4				10/29 – We had a meeting about providing us with actuary services for the RFP. If we choose to accept AHCCCS rates rather than submit our own, will AHCCCS' actuarial review be sufficient?	11/1 - If AHCCCS were to offer rates in your General Service Area (GSA) the rates would be AHCCCS actuarial approved. However, until the RFP is released there is no guarantee as to how rates will be awarded.
