RE: RFP #YH20-0002 Procurement File

Rather than arouse further curiosity or needless suspicion, and without prejudice to how we will treat future solicitations, AHCCCS has decided to make the Attorneys' Eyes Only document you have already received, the supporting Excel spreadsheet(s), and other scoring related documents available publicly as part of the procurement file in this solicitation.

We will post these additional documents on the AHCCCS website in the procurement file tomorrow, December 3, 2021, and we will extend the deadline for any protest of the awards of the CCE solicitation to December 13, 2021.
