

## Attend an AHCCCS Works Forum

In accordance with A.R.S. 36-2903.09, the Arizona Health Care Cost Containment System (AHCCCS) is requesting an amendment to the 1115 Research and Demonstration Waiver. The waiver amendment seeks authority to implement community engagement or work requirements and a five-year maximum lifetime benefit limit for a portion of the AHCCCS Medicaid population. Titled “AHCCCS Works,” the waiver amendment is designed to provide low-income, “able-bodied adults” the tools needed to gain and maintain meaningful employment, job training, and education.

AHCCCS presented the details about Arizona’s Demonstration amendment proposal during a hybrid Tribal Consultation meeting and will share further details at three (two virtual and one hybrid) public forum meetings. Details regarding the public forum meetings can be found below:
