Hello,

This email is sent in support of the name change requested for Care1st to transition to Arizona Complete Health.

Since Care1st was purchased a couple of years ago and merged with Arizona Complete Health, there has been some confusion on the 'difference' (or lack thereof) between Care1st and Arizona Complete Health, and the other brands/plan that fall under Arizona Complete Health's umbrella (e.g. Amwell and Wellcare).

In our local community, the majority of AHCCCS members are insured through Health Choice (BCBSAZ), as they have been present in our area longer than Care1st. I feel now (2023) would be a good of time always for the brand/name change (Care1st to Arizona Complete Health) as their membership will likely grow over time in northern Arizona, and on behalf of Creek Valley Health Clinic (FQHC in northern Mohave County), we would support this change.

Thank you for your consideration,
