Member is unable to sign. Identify the person signing for the member ***or*** include member's fingerprint.

(Attendant / Escort / Guardian / Parent / Provider)

Member Fingerprint

Member Signature

Member **must sign**, if able. If member is unable to sign, please check the appropriate box and identify the person* signing for the member or include the member's fingerprint.

Typing the member's name in cannot serve as a substitute for an actual signature or fingerprint.

Fingerprint

A fingerprint may also be used if the member is unable to sign.

Member Signature & Date

Clarification of member's "signature" requirement

- If a member is physically unable to sign (or fingerprint) the non-emergency medical transport Daily Trip Report then a parent or guardian, caretaker, escort, or family member can sign for the member and indicate their relationship to the member.
- If the member is transporting alone, then the trip report may be signed by the provider at the medical service appointment.
- When someone else signs the trip report for the member, the trip report should show the member's name and a notation such as "by J Smith, daughter" to identify the person signing for the member.
- **Under no circumstances is the transport driver to sign for a member.**
 - Even if the transport driver is a physical or behavioral health care provider for the member, they still cannot sign for the member. If the member cannot sign for themselves then a parent, guardian, caretaker, escort, or other family member would have to sign for them. The driver cannot sign, even if the driver overlaps one of the categories that normally could.

Reminders

Things to Remember Operations on Tribal Land

Effective 4/1/2014 all non-emergency transportation providers that transport AHCCCS recipients (pick up and/or drop off) on reservation will be required to obtain a Tribal business license from the Tribe.

- A copy of the Tribal business license must be submitted to AHCCCS Provider Registration for documentation.
- When auditing claims AHCCCS will ensure that this documentation is on file. Failure to obtain and submit your Tribal business license will result in claims recoupment.

Things to Remember

Use of More than One Vehicle

If the driver uses more than one vehicle for the same date of service, for the same member, then they must use a new Daily Trip Report for each separate vehicle *and* they must indicate (at the bottom right) the page number.

All pages become the complete Daily Trip Report for the transport services, for that recipient, on that service date.

Things to Remember

Methods of Filling out the Trip Report

The AHCCCS Daily Trip Report must be completed in pen. It may be filled out in either blue or black pen.

- Erasures and white-out are not acceptable. If an error is made, draw a single line through the error and enter the correct information.

The AHCCCS Daily Trip Report may be filled out on a tablet or another electronic device, as long as all federal and state requirements are taken to protect member information.

Things to Remember

Format of AHCCCS Daily Trip Report

- AHCCCS **will not** accept HTML files of the AHCCCS Daily Trip Report.
- AHCCCS **will not** accept Excel files of the AHCCCS Daily Trip Report. If a provider uses the Excel file, they must convert to a PDF before submission. The Excel file version available on the website was made available due to *provider request*. These providers convert this to a PDF file prior to submitting.
- AHCCCS **will** accept PDF files of the AHCCCS Daily Trip Report.
 - Note: If the AHCCCS Daily Trip Report is submitted as a PDF file through the 275 Provider Portal, it is necessary that the PDF file *allow AHCCCS to **extract** the document*, otherwise AHCCCS will not be able to view the submitted PDF file. If you are uncertain of how to make a file 'extractable' please consult with your team's IT division.

Things to Remember

Multiple Members and Wait Times

Wait time shall only be billed for the amount of time the driver actually waited at the member's medical service destination if the distance traveled was such that it was not feasible for the driver to return to the provider's base of operations or the origination site.

- Wait time is billed with code T2007 where each unit is 30 minutes.
- If transporting multiple members at one time, the wait time shall be reimbursed for no more than one member.

Things to Remember

Multiple Members and Wait Times

In addition, billing for wait time is not appropriate:

If the odometer reading changes from the drop-off at the medical service to the pick-up at the medical service;

- For a one way trip;
- When two different vehicles and/or drivers are used for the round trip;
- If wait time is less than 30 minutes; or
- If the distance to the medical service location is 10 miles or less.

Things to Remember

Multiple Stops

Only one trip report should be filled out per member, per day.

If there are more than three stops for one member, in one day, please use multiple pages.

If more than one vehicle is used and/or if more than one driver transports the member on the same day, please use multiple pages (one for each vehicle) and document that more than one vehicle and/or driver was used in the additional information section.

If multiple pages are used, the page number must be indicated at the bottom right of the Daily Trip Report. All pages become the complete Daily Trip Report for the transport services for that member, on that service date.
