**Subject:** Cost Sharing Member Handbook Insert - Revised

Good afternoon,

Attached please find a new cost sharing insert that replaces the first cost sharing insert I sent out on 11/5/13. There have been some unexpected changes (**exempting from copays all well visits and preventive services effective 1/1/14**), which have required revised proposed rules, which are being submitted to the Secretary of State today. If you've already sent out the first insert, the revised insert must be sent to members as soon as possible, but not later than 12/2/13. If you have not previously sent the insert this attached revised insert replaces the 11/5/13 version and should go out to members as soon as possible, but no later than 12/2/13. This new insert must be included in the new member packets until further notice. Please feel free to e-mail or contact me at (602) 417-4796 if you have any questions.

Thank you,  
Diana Alvarez
