Attested online for PCS Program Option 2. April 10, 2013, as Family Medicine

Data queries ran, verified and determined physician does not meet 60% benchmark

Linked attested practitioners with physician to recalculate, does not meet 60% benchmark

Per ABMS web search Dr. A. Physician holds board certification from American Board of Preventative Medicine in Public Health

Board certification on record does not meet the PCS Program criteria for specialty/subspecialty

Physician failed to meet the criteria for PCS Program Option 2.

Given the ABMS research, physician would not meet board certification requirement and would not qualify under Option 1.
