Importance: High

Important Update -

Due to an unanticipated delay in the refresh of the AHCCCS dedicated test environment, your initial test 834 and 820 files will be delayed 1 day (please see revisions to the attached calendars). Our apologies for any issues this might cause as well as the late notice of this change.

If you have any questions please let us know. << File: 834 5010 Testing Calendar - revision

Importance: High

AHCCCS is now ready to begin testing of the 5010 versions of the 820 and 834 transactions with you our trading partners.

Attached please find documents related to this effort.

1. AHCCCS HIPAA 5010 820 Testing Overview
2. AHCCCS HIPAA 5010 820 Testing Calendar
3. AHCCCS HIPAA 5010 834 Testing Overview
4. AHCCCS HIPAA 5010 834 Testing Calendar

These document will also be posted to the AHCCCS 5010 Webpage as soon as possible. As will the AHCCCS Draft 820/834 5010 Companion Guide.

Please take the time to review these documents as well as the Draft Companion Guide and let us know If you have any questions, comments, etc... Also please share this information with others in your organizations who might need this information and/or who I've missed in this distribution.

We look forward to testing with you all! Have a great holiday weekend.
