HIPAA 5010 Consortiums and Documentation

Information for each scheduled Consortium Meeting, such as agendas, minutes and issues, and action items and updates is provided below as are any other relevant updates or documentation related to AHCCCS' implementation of these initiatives.

5010

The HIPAA 5010 electronic file formats replace the current 4010a electronic file formats as the most current version of federally mandated HIPAA transactions, and are required to be implemented for processing no later than January 1, 2012.

5010 Companion Documents, Testing Overviews and related documentation are currently under construction and will be posted to the Webpage as available.
