SCOPE OF WORK

1. Background, Purpose and Qualification.

- 1.1. Pursuant to Section 1932(a) of the Social Security Act, the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services, approved AHCCCS' request to amend its State Plan to establish a primary care case management program entitled "American Indian Medical Home." AHCCCS submitted this State Plan Amendment (17-003) after reviewing and incorporating revisions suggested through Tribal Consultation and public comment. This State Plan Amendment became effective on July 1, 2017.
- 1.2. The purpose of the Agreement is to establish the Contractor as an AIMH that will provide "primary care case management" (as defined in 42 C.F.R. § 438.2) as an "Indian Managed Care Entity" (as defined by 42 C.F.R. § 438.14(a)). For the purposes of this Agreement, the Contractor is a "primary care case manager" and not a "primary care case management entity" as those terms are used in 42 C.F.R. Part 438.
- 1.3. Nothing in this Agreement reduces or eliminates any provision of any other contract between AHCCCS and the Contractor including, but not limited to, the Provider Participation Agreement or the Group Biller Agreement. To provide services under this Agreement, the Contractor must also maintain an active Provider Participation Agreement and/or Group Biller Agreement with AHCCCS. AHCCCS will rely on the information provided by the Contractor during the provider registration process to fulfill the disclosure and screening requirements of 42 C.F.R. § 438.602, 438.604(a) (6), and 438.608(c) (2). [42 C.F.R. § 438.602, 438.604(a) (6) & 438.608(c) (2)]
- 1.4. The Contractor must meet one of the following standards, initially and on an annual basis:
 - 1.4.1. Patient Centered Medical Home recognition through the National Committee for Quality Assurance, Accreditation Association for Ambulatory Health Care, the Joint Commission Primary Care Medical Home Accreditation Program, or other nationally-recognized accreditation body; or
 - 1.4.2. An annual attestation from the Indian Health Services ("IHS") Improving Patient Care ("IPC") that the Contractor has completed all of the following in the year prior to attestation:
 - 1.4.2.1. Submitted the Safety Net Medical Home Initiative Patient-Centered Home Assessment to IHS-IPC;
 - 1.4.2.2. Submitted monthly data regarding IPC Core Measures to the IPC Data Portal; and
 - 1.4.2.3. Submitted quarterly narrative summaries to IHS IPC regarding IPC Medical Home improvement projects.
- 1.5. Throughout this Agreement, "day" or "days" means "calendar day" or "calendar days" unless otherwise specified.
- 1.6. Throughout this Agreement, the individuals who are eligible for the Contractor's services will be referred to as "Members."

2. Assignment of Members.

- 2.1. Except as provided in Section 2.2, any Indian, as defined by 42 C.F.R. § 438.14(a), enrolled with AHCCCS to receive Medicaid-funded services through the Fee-For-Service American Indian Health Program may enroll with the Contractor to receive primary care case management services.
- 2.2. The following individuals are not eligible for enrollment in the Contractor's AIMH:
 - 2.2.1. Persons enrolled in another managed care program;
 - 2.2.2. Persons enrolled in the Tribal ALTCS program;
 - 2.2.3. Persons enrolled through hospital presumptive eligibility;

- 2.2.4. Persons enrolled in Fee-For-Service Temporary, Fee-For-Service Regular, or Federal Emergency Services Only;
 - 2.2.5. Persons residing in Nursing Facilities or Intermediate Care Facilities for the Mentally Retarded (also known as Intermediate Care Facilities for the Intellectually Disabled); and
 - 2.2.6. Persons enrolled in prior quarter coverage or any other retroactive eligibility category (during the period of retroactive eligibility).
- 2.3. A Member's enrollment and disenrollment with the Contractor is completely voluntarily and at the will of the Member. At any time and without cause, a Member may opt into or out of the AIMH program, or move to another AIMH that is not operated by the Contractor by notifying AHCCCS or the Contractor. [42 C.F.R. § 438.3(d) (2) & (q) (5); 42 C.F.R. § 438.54(c); 42 C.F.R. 438.56(c) & (d)]
- 2.4. Upon enrollment in the Fee-For-Service American Indian Health Program, AHCCCS will provide the Member with the opportunity to enroll in an AIMH and will provide the information required by 42 C.F.R. § 438.10(e)(2). At any time after enrollment in the Fee-For-Service American Indian Health Program, a Member may contact AHCCCS and request placement into an AIMH. If the Member contacts AHCCCS to request assignment to a Contractor as his or her AIMH, AHCCCS will notify the Contractor.
- 2.5. The Contractor will maintain forms, in both electronic and paper formats, that an individual may complete to enroll or disenroll with the Contractor, or select a new AIMH. The Contractor must use the forms approved by AHCCCS that are available on AHCCCS' website.
- 2.5.1. AHCCCS will ensure that the template enrollment and disenrollment forms comply with 42 C.F.R. § 438.10(e) (2) by including the following: information about enrolling and disenrolling at will; the basic features of managed care; the populations included and excluded from the AIMH program; the benefits of the AIMH program including the Contractor's responsibility for coordinating care; and the lack of Member cost for the program. [42 C.F.R. § 438.10(e) (2)]
 - 2.5.2. With AHCCCS' approval, the Contractor may modify the enrollment and disenrollment forms to provide specific information about the Contractor. The Contractor will add to its enrollment and disenrollment forms information about the service area covered by the Contractor. [42 C.F.R. § 438.10(e) (2) (iv)]
 - 2.5.3. Electronic enrollment and disenrollment forms must meet the following federal requirements:
 - 2.5.3.1. The format must be readily accessible, and placed in a prominent and readily accessible space on the Contractor's website; [42 C.F.R. § 438.10(c) (6) (i) & (ii)]
 - 2.5.3.2. The information is an electronic format that can be electronically retained and printed; 42 C.F.R. § 438.10(c) (6) (iii)]
 - 2.5.3.3. The information meets the requirements of Section 4.4.1; [42 C.F.R. § 438.10(c) (6) (iv)] and
 - 2.5.3.4. The Contractor will make the electronic information available to Members and potential Members in paper form and without charge within five business days of a Member or potential Member's request for the electronic information in paper form. [42 C.F.R. § 438.10(c) (6) (v)]
 - 2.5.4. The Contractor will assist the Member in completing enrollment and disenrollment forms. The Contractor will manage assignment of members electronically through the AHCCCS Online web portal and will keep the signed enrollment forms on file.
- 2.6. AHCCCS may, unilaterally or at the request of the Contractor made pursuant to Section 2.10, restrict enrollment with the Contractor to individuals who reside sufficiently near the Contractor to reach the Contractor within a reasonable time using available and affordable modes of transportation. [42 C.F.R. § 438.3(q) (2)]
- 2.7. Upon a Member's request, AHCCCS will assign, and notify the Contractor of the member's request; individuals eligible for enrollment pursuant to Section 2.1 in the order in which they applied, without restriction. [42 C.F.R. § 438.3(d) (1)]

- 2.8. The Contractor will not, on the basis of health status or need for health care services, discriminate against individuals eligible to enroll pursuant to Section 2.1. [42 C.F.R. § 438.3(d) (3) & (q) (4)]
- 2.9. The Contractor will not discriminate against individuals eligible to enroll pursuant to Section 2.1 on the basis of race, color, national origin, sex, sexual orientation, gender identity, or disability and will not use any policy or practice that has the effect of discriminating on the basis of race, color, or national origin, sex, sexual orientation gender identity, or disability, except that the Contractor may restrict its enrollment and service delivery to "Indians" (as defined by 42 C.F.R. § 438.14(a)). [42 C.F.R. § 438.3(d) (4); 42 C.F.R. § 438.14(d)]
- 2.10. A Contractor may request, in writing, that AHCCCS discontinue assignment of a Member from the Contractor's AIMH for good cause. The Contractor may not request disenrollment because of an adverse change in the Member's health status, or because of the Member's utilization of medical services, diminished mental capacity, or uncooperative or disruptive behavior resulting from his or her special needs (except when his or her continued enrollment with the Contractor seriously impairs the Contractor's ability to furnish services to either this particular Member or other Members). [42 C.F.R. § 438.56(b)]
- 2.11. If a Member assigned to the Contractor automatically discontinues assignment as a result of the loss of eligibility for AHCCCS' Medicaid program, AHCCCS will automatically re-enroll the Member with the Contractor if the Member becomes eligible for the Fee-For-Service American Indian Health Program within two months of the date of the loss of AHCCCS eligibility.

6. Agreement Administration and Operation

6.1. Term of Agreement

- 6.1.1. The term of the Agreement is from October 1, 2020, through September 30, 2021, but may be extended on an annual basis by mutual agreement of the Parties in a duly authorized and executed amendment following AHCCCS' determination that the Contractor is in compliance with the terms of the Agreement.
- 6.1.2. All Agreement extensions will be through written amendment executed by both Parties. The terms and conditions of any such extension will remain the same as the original Agreement, as amended.
- 6.1.3. Under no circumstances will this Agreement be extended beyond June 30, 2022.

6.2. Agreement Changes

- 6.2.1. Amendments to the Agreement. Except as provided in Section 6.2.2, the Agreement may be modified only through an Amendment within the scope of the Agreement. Changes to the Agreement, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the procurement officer in writing or made unilaterally by the Contractor are violations of the Agreement. Such changes, including unauthorized written Amendments will be void and without effect, and the Contractor will not be entitled to any claim under this Agreement based on those changes.
- 6.2.2. Amendments to AHCCCS Policies Incorporated by Reference. When AHCCCS amends one of the policies incorporated by reference into this Agreement, AHCCCS will post the amendment to its website. The Contractor may object in writing to the policy amendment within thirty days of the date that AHCCCS posted the policy amendment to its website. If the Contractor objects to the policy amendment, AHCCCS may terminate the Agreement. If the Contractor does not object to the policy amendment within thirty days from the date that AHCCCS posted the policy amendment to its website, the policy amendment will be deemed to have been accepted by the Contractor even if the Contractor does not sign the amendment.

- 6.4. Offshore Performance of Work Prohibited: Any services that are described in the scope of work that directly serve the State of Arizona or its clients and involve access to secure or sensitive data or personal client data will be performed within the defined territories of the United States.  - 6.6.2. Severability. The provisions of this Agreement are severable. Any term or condition deemed illegal or invalid will not affect any other term or condition of the Agreement.
 - 6.6.3. No Parole Evidence. This Agreement is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade will supplement or explain any terms used in this document and no other understanding either oral or in writing will be binding.
 - 6.6.4. No Waiver. Either party's failure to insist on strict performance of any term or condition of the Agreement will not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.
- 6.7. Agreement Remedies
- 6.7.1. Notice and Opportunity to Cure. In the event of a breach of the Agreement, the non-breaching party must notify the breaching party of the breach in writing. If the breach is capable of cure, the non-breaching party must describe how the breach can be cured and identify a reasonable deadline by which any cure must be completed.

 - 6.7.4. Technical Assistance. AHCCCS' provision of technical assistance to the Contractor to assist in achievement of compliance with any relevant Agreement terms does not relieve the Contractor of its obligation to fully comply with any relevant Agreement term or any other terms of this Agreement.
 - 6.7.5. Right of Offset. AHCCCS will be entitled to offset against any sums due the Contractor, any expenses or costs incurred by AHCCCS, or damages assessed by AHCCCS concerning the Contractor's non-conforming performance or failure to perform the Agreement.
- 6.8. Agreement Termination
- 6.8.1. Cancellation for Conflict of Interest. AHCCCS may cancel this Agreement within three (3) years after Agreement execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the State is or becomes, at any time while the Agreement or an extension of the Agreement is in effect, an employee of or a consultant to any other party to this Agreement. The Contractor must comply with the conflict of interest safeguards described in 42 C.F.R. § 438.58 and with the prohibitions described in Section 1902(a) (4) (C) of the Social Security Act applicable to contracting officers, employees or independent contractors. The cancellation will be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time. [42 C.F.R. § 438.3(f) (2)]
 - 6.8.2. Gratuities. AHCCCS may, by written notice, terminate this Agreement, in whole or in part, if the State determines that employment or a gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing of the Agreement, an amendment to the Agreement, or favorable treatment concerning the Agreement, including the making of any determination or decision about Agreement performance. AHCCCS, in addition to any other rights or remedies, will be entitled to recover exemplary damages in the amount of three times the value of the gratuity offered by the Contractor.
 - 6.8.3. Suspension or Debarment. AHCCCS may, by written notice to the Contractor, immediately terminate this Agreement if AHCCCS determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity,

including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of an Agreement will attest that the Contractor is not currently suspended or debarred. If the Contractor becomes suspended or debarred, the Contractor will immediately notify AHCCCS.

- 6.8.4. Termination for Convenience. Upon thirty (30) days written notice to the other Party, either Party may terminate the Agreement, in whole or in part, without penalty or recourse. The Contractor will be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination.
- 6.8.5. Termination for Default. Subject to section 14.7 ("Agreement Remedies"), in addition to the rights reserved in the Agreement, AHCCCS may terminate the Agreement in whole or in part due to the failure of the Contractor to materially comply with any term or condition of the Agreement, or to make satisfactory progress in performing the Agreement. The Procurement Officer will provide written notice of the termination and the reasons for it to the Contractor.
- 6.8.6. In the event that the Agreement terminates for any reason other than termination under 42 C.F.R. 455.416, the Parties agree to collaborate on transitioning the care of any Members potentially affected by the termination within a reasonable period of time. The Parties agree to work together to ensure that such a transition occurs in an orderly manner and without significant disruption in services to Members. Notwithstanding any provision of this Agreement, Contractor shall receive payment in full for all services delivered or performed by it under this subsection, regardless of whether this Agreement is terminated or cancelled. In the event of a termination under 42 C.F.R. 455.416, AHCCCS shall not require the Contractor to collaborate on transitioning care.

6.9. Agreement Disputes

- 6.9.1. In the event of a dispute, claim or controversy ("Dispute") arising out of or related to this Agreement, the Parties agree that it is in their mutual best interest to meet as promptly as possible for the purpose of informally resolving said Dispute.
 - 6.9.2. In the event that the Parties cannot resolve their Dispute informally after attempting to work in good faith toward resolution, the Parties agree that Disputes arising out of this Agreement will be administratively adjudicated in accordance with A.R.S. § 2903.01(b)(4), the relevant portions of Arizona's Administrative Procedures Act, and AHCCCS' rules pertaining to appeals and grievances.
 - 6.9.3. AHCCCS may take any action described in the Financial Provisions, and/or sections 6.7 ("Agreement Remedies") or 6.8 ("Agreement Termination") of these Terms and Conditions prior to initiating or engaging in any process described under Section 6.9 ("Agreement Disputes and Arbitration") of these Terms and Conditions. The Contractor may use the process described under Section 6.9 ("Agreement Disputes and Arbitration") of these Terms and Conditions to appeal such an action.
- 6.10. Subcontracts. The Contractor will not enter into any subcontract under this Agreement for the performance of any function required by this Agreement without advance written approval by AHCCCS. The Contractor will clearly list any proposed subcontractors and the subcontractor's proposed responsibilities. The subcontract will incorporate by reference the Terms and Conditions of this Agreement.
