METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES
OTHER TYPES OF CARE**

A. OVERVIEW

The following is a description of methods and standards for determining Differential Adjusted Payments for the AHCCCS-registered provider types specified in Section B., “Applicability,” below. The purpose of the Differential Adjusted Payment is to distinguish facilities which have committed to supporting designated actions that improve patients’ care experience, improve members’ health, and reduce cost of care growth. The Differential Adjusted Payment Schedule represents a positive adjustment to the AHCCCS Fee-For-Service reimbursement rates. These payment adjustments will occur for all dates of service in Contract Year Ending (CYE) 2024 (October 1, 2023 through September 30, 2024) only. The payment adjustments do not apply to supplemental payments.

B. Applicability

To qualify for the Outpatient Differential Adjusted Payment (DAP), a facility or provider providing non-institutional services must meet one of the following criteria:

1. **Physicians, Physician Assistants, and Registered Nurse Practitioners** (Up to 3.5%)
Physicians, Physician Assistants, and Registered Nurse Practitioners (Provider Types 08, 18, 19, and 31) are eligible for DAP increases under the following criteria

Domain	Description
a. Electronic Prescriptions (1.0%)	A provider that has written at least 80 prescriptions for AHCCCS members and has written at least 85% of its total AHCCCS prescriptions as Electronic Prescriptions (E-Prescriptions) will qualify for a 1.0% DAP for all services billed on the CMS Form 1500. E-Prescription statistics will be identified by the AHCCCS provider ID for the prescribing provider, and computed by AHCCCS based on the following factors: <ol style="list-style-type: none"> i. Only approved and adjudicated AHCCCS claims and encounters for July 1, 2022, through December 31, 2022 dispense dates will be utilized in the computations. ii. AHCCCS will compute claims and encounters for this purpose as of March 15, 2023 to determine which providers meet the minimum threshold. iii. AHCCCS will not consider any other data when determining which providers qualify for the DAP increase. iv. E-Prescriptions include those prescriptions generated through a computer-to-computer electronic data interchange protocol, following a national industry standard and identified by Origin Code 3.

 IHS and 638 tribally owned and/or operated facilities are not eligible for this DAP. Please see Section 9 below for IHS/638 DAP details.

f. Payment Methodology
 For critical access hospitals, payment rates for outpatient services, for the service date range of October 1, 2023-September 30, 2024, will be increased by 8.0% if they meet the HIE requirements, by 1.0% if they meet the AzHDR requirements, by 1.0% if they meet the SDOH closed loop referral system requirements, and by 0.5% if they meet the Naloxone Distribution Program requirements.

Hospitals which submitted an LOI and received an increase for CYE 2023 but failed to achieve one or more milestones in the LOI or failed to maintain its participation in the milestone activities are ineligible to receive the respective DAP in CYE 2024.

If a provider is receiving a DAP in CYE 2024 and cannot meet a milestone and/or cannot maintain its participation in milestone activities, the provider must immediately notify AHCCCS. This notification must be made prior to the milestone deadline and must state the reason the milestone cannot be met.
