SCOPE OF WORK

1. Background and Purpose.

- 1.1. The Gila River Indian Community and the State of Arizona, through AHCCCS, recognize that it is beneficial to acknowledge and understand the history of the Gila River Indian Community, and the significance of that history in the healing of Gila River Indian Community members through the provision of services accessible through the Arizona Long Term Care System ("ALTCS"). While each Indian Tribe has its own unique history and culture, all share a common experience of trauma and immense loss. It is recognized that history affects the health of American Indians today, especially that of tribal elders who struggled for survival. The State of Arizona, through AHCCCS, acknowledges the need to form a partnership with the Gila River Indian Community to meet the health needs of tribal members eligible for ALTCS. The State recognizes the sovereign right of the Gila River Indian Community to determine the applicability of and the extent to which its tribal values and belief systems will be incorporated into the services it provides to tribal members eligible for ALTCS.
- 1.2. This Agreement reiterates the commitment to the government-to-government relationship that exists between the State of Arizona and the Gila River Indian Community. The development and implementation of the Agreement is in recognition of this special relationship.
- 1.3. The State of Arizona, through AHCCCS, recognizes the right of tribal governments to self-govern, and supports tribal sovereignty and self-determination.
- 1.4. AHCCCS has the authority to administer the Medicaid and behavioral health systems in the State of Arizona. The purpose of this Agreement is to delegate from AHCCCS to the Tribe the duties described herein.
- 1.5. The Tribe agrees to use the funding provided through this Agreement to administer the programs described in this Agreement solely for the benefit of individuals and families who:
 - 1.5.1. Are members of a federally-recognized Indian Tribe and/or their dependents;
 - 1.5.2. Reside in or near the Gila River Indian Community; and
 - 1.5.3. Have been determined by AHCCCS to be eligible for ALTCS services on a fee-for-service basis.
- 1.6. Throughout this Agreement, "day" or "days" means "calendar day" or "calendar days" unless otherwise specified.
- 1.7. Throughout this Agreement, the individuals and families who are eligible for the Tribe's services will be referred to as "Members."

2. Enrollment of Members.

- 2.1. On an initial and ongoing basis, AHCCCS will determine whether an individual qualifies for ALTCS services and whether an individual qualifies for the Tribe's services.
 - 2.1.1. If a Member chooses to receive services through the Tribe, AHCCCS will enroll the Member with the Tribe.
 - 2.1.2. AHCCCS will provide the Tribe with daily notification of any action taken by AHCCCS to enroll or disenroll Members with the Tribe.
 - 2.1.3. On a monthly basis, AHCCCS will provide the Tribe with a list of Members enrolled with the Tribe.

- 2.1.4. Under certain circumstances, such as a Member's temporary absence from the State of Arizona, a Member will remain on ALTCS but qualify solely for acute care services. If a Member becomes eligible only for acute care services, AHCCCS will notify the Tribe of this change.
 - 2.2. Member Change Report. In addition to the requirements of AMPM Exhibit 1620-2, the Tribe will file a Member Change Report under the following circumstances:
 - 2.2.1. Within two business days, the Tribe will notify AHCCCS of any change in a Member's demographic information (e.g. change in residence or placement; the Member's death; etc.).
 - 2.2.2. Within two business days, the Tribe will notify AHCCCS of any change in a Member's circumstances that may affect ALTCS eligibility, the Member's share of cost, or AHCCCS' responsibility to pay for services (e.g. change in Member's income or resources; placement into the Arizona State Hospital or another public institution such as a jail or prison; the existence of third party liability; the Member's refusal to receive ALTCS services; etc.).
 - 2.2.3. Within two business days, the Tribe will notify AHCCCS when a Member becomes absent from the State of Arizona for more than thirty days or plans to leave the State of Arizona for more than thirty days.
3. **Case Management.**

 - 4.4. The Tribe will track and notify AHCCCS of out of state placements.

- 4.5. The Tribe will collaborate with AHCCCS to ensure that providers will not be restricted or inhibited in any way from communicating freely with, or advocating for, persons regarding:

The Tribe will allow sufficient time for AHCCCS to evaluate the test data before approving the proposed change. The Tribe will also notify AHCCCS in advance of the exact implementation date of all changes so AHCCCS can monitor for any unintended side effects of the change.
- 11.4. AHCCCS will provide the Tribe at least ninety (90) days of notice prior to a system change that may affect AHCCCS unless it has been determined that the change is immediately needed and vital to system operations.
- 11.5. The Tribe will identify staff who will utilize the PMMIS system, the SMI Grievance and Appeals database, the AHCCCS FTP Server, the AHCCCS Client Information System and all other AHCCCS systems that require user registration and monitoring of continued access and discontinuation of access rights of the Tribe's staff.

FINANCIAL PROVISIONS

12. Funding.

12.1. Case Management Services.

- 12.1.1. The case management model developed by AHCCCS will be used to determine the annual budget for the Tribe for case management services provided pursuant to the Agreement.
- 12.1.2. To determine the annual budget for case management services, AHCCCS will take into account the number of staff performing work under the Agreement related to case management, their salaries, the time spent performing duties, caseload ratios, vehicle costs, Employee Related Expenses ("ERE"), and other indirect costs.
- 12.1.3. The model may be updated yearly as new information becomes available.
- 12.1.4. Based on the annual budget, AHCCCS will make monthly payments to the Tribe in compliance with A.R.S. Titles 35, 36 and 41.

12.2. State General Funding for non-title XIX SMI Services.

- 12.2.1. Any State General Funds reimbursed for non-title XIX services, including housing, must be spent in accordance with a spending plan approved by AHCCCS for individuals determined to have a serious mental illness.
- 12.2.2. Mortgages and Financing of Property. AHCCCS will be under no obligation to assist, facilitate, or help the Tribe secure any mortgage or financing if a Tribe intends to obtain a mortgage or financing for the purchase of real property or construction of buildings on real property.

13. Financial Reporting and Reconciliation.

- 13.1. Payments are conditioned upon the rights and obligations of this Agreement and the availability to AHCCCS of funds authorized and appropriated by the State Legislature for expenditure in the manner and for the purposes stated in this Agreement. Neither AHCCCS nor the State will be liable for any purchase(s) entered into by the Tribe in anticipation of such funding.
- 13.2. Payments made by AHCCCS to the Tribe are conditioned upon receipt by AHCCCS of applicable timely, accurate and complete reports, documentation and any other information due from the Tribe, unless prior written approval waiving such requirement(s) is obtained from the AHCCCS Director or designee. If the Tribe is in any matter in default in the performance of any material obligation under the Agreement, including in the process of administrative appeal, arbitration, or if financial, compliance or performance audit exceptions are identified, AHCCCS may, at its sole option and in addition to other available remedies, either adjust the amount of payment or withhold payment until satisfactory resolution of the default or exception. The Tribe will have the right to 30 days written notice of AHCCCS' action in adjusting the amount of payment or withholding payment. Under no circumstances will AHCCCS authorize payments that exceed an amount specified in this Agreement without an approved written amendment to the Agreement. AHCCCS may withhold final payment to the Tribe until all final reports and deliverables are received.
- 13.3. The practices, procedures and standards specified in and required by the State of Arizona Accounting Manual (<http://www.gao.az.gov/publications/SAAM>) and any Uniform Financial Reporting Requirements will be used by the Tribe in the management, recording and reporting of Agreement funds received from AHCCCS and in producing audited financial statements.
- 13.4. Funding received through this Agreement will be retained by the Tribe to be used for the sole purpose of providing services required by this Agreement. The Tribe will maintain all funding received under this Agreement in a separate fund (account) and will provide AHCCCS with a quarterly report detailing all activities of the fund (account).
- 13.5. AHCCCS recognizes that interim financial statements are based on information available at the end of the

reporting period, which may be incomplete. Revisions to a prior period will update or replace the previously submitted report.

- 13.6. The Tribe will have a system to produce complete, timely, reliable and accurate financial records and reports in accordance with the following requirements for financial reporting:
 - 13.6.1. The Tribe will design and implement its financial operations system and reports to ensure compliance with Generally Accepted Accounting Principles, Government Auditing Standards, 2 C.F.R. Parts 200 and 300, and 45 C.F.R. Part 75.
 - 13.6.2. The Tribe will submit a quarterly Certification Statement signed and dated by the Tribe's chief financial officer.
 - 13.6.3. The Tribe will submit a quarterly report by the 60th day following the end of each quarter detailing the Title XIX Revenues and Expenditures to AHCCCS. The quarterly report will be used by AHCCCS to reconcile the monthly payments made during the quarter to the Tribe. If there is an overpayment or underpayment, AHCCCS will adjust future payments to the Tribe as necessary to make the account whole. Failure of the Tribe to submit timely quarterly financial reports may result in payment delays to the Tribe.
 - 13.6.4. The Tribe will submit annual audited financial statements to AHCCCS no later than nine (9) months after the end of the state fiscal year. If the Tribe received \$750,000.00 or more during the state fiscal year, an audit conducted pursuant to 2 C.F.R. Part 200, Subpart F is required. These audited financial statements must be prepared by an independent auditor and include supplemental schedules and audit opinions.
 - 13.6.5. If applicable, the Tribe will provide AHCCCS with a copy of its most recent Indirect Cost Agreement by October 1 of each year.
- 13.7. Requests for extension of reporting deadlines will be submitted in writing and must be received by AHCCCS prior to the report due date. Approvals for extension are valid only if issued in writing by AHCCCS.
- 13.8. At AHCCCS' request, the Tribe will submit a Tribe Expenditure Report with supporting documentation for reimbursement of State General Funds used for non-title XIX SMI services.
- 13.9. In accordance with A.R.S. § 35-190, State General Funds are appropriated by the State Legislature and must be expended (based on dates of service) by June 30 of each year at both the Tribe and subcontractor levels.
 - 13.9.1. The Tribe and its subcontractors may not defer State General Funds.
 - 13.9.2. No later than April 15 of each year, the Tribe will provide AHCCCS with a list of State General Funds, by funding source, that the Tribe and its subcontractors expect to expend by the end of the state fiscal year.
 - 13.9.3. The Tribe will notify its subcontractors of the requirements under this section.
- 13.10. The Tribe will reimburse AHCCCS upon request, or AHCCCS may deduct from future payments to the Tribe, any amounts determined by AHCCCS to represent:
 - 13.10.1. Costs related to services which have been inaccurately reported;
 - 13.10.2. Costs related to services that have not been provided;
 - 13.10.3. Costs of services for which the Tribe's books, records, and other documents are not sufficient to clearly confirm were used by the Tribe to provide such services;
 - 13.10.4. Costs of services sustained as a financial audit exception; or
 - 13.10.5. Costs of services which have not been provided in accordance with applicable regulations, laws, policies and this Agreement, to include services which have been determined to be unnecessary.
- 13.11. "State fiscal year" means the period beginning with July 1 and ending June 30.
- 13.12. No profit is allowed under this Agreement. The Tribe is under no obligation to deliver or pay for services

unfunded by the Agreement.

13.13. Costs and Payments

13.13.1. Applicable Taxes.

- 13.13.1.1. The Tribe will be responsible for paying all applicable taxes.
- 13.13.1.2. The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes.
- 13.13.1.3. Tax Indemnification. The Tribe will pay all Federal, state and local taxes applicable to its operation and any persons employed by the Tribe. The Tribe will hold the State harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation. The Tribe will add these requirements to its contracts with subcontractors.
- 13.13.1.4. IRS W9 Form. In order to receive payment the Tribe will have a current I.R.S. W9 Form on file with the State of Arizona, unless not required by law.

13.13.2. Availability of Funds for the Next State Fiscal Year. Funds may not presently be available for performance under this Agreement beyond the current state fiscal year. No legal liability on the part of the State for any payment may arise under this Agreement beyond the current state fiscal year until funds are made available for performance of this Agreement.

13.13.3. Availability of Funds for the Current State Fiscal Year. Should the State Legislature enter back into session and reduce the appropriations or for any reason and these goods or services are not funded, the State may take any of the following actions:

- 13.13.3.1. Accept a decrease in price offered by the Tribe; or
- 13.13.3.2. Cancel the Agreement.

TERMS AND CONDITIONS

14. Agreement Administration and Operation

14.1. Term of Agreement

- 14.1.1. The term of the Agreement is from July 1, 2022, through June 30, 2027, unless otherwise terminated or extended by mutual agreement of the Parties in a duly authorized and executed amendment.
- 14.1.2. All Agreement extensions will be through written amendment executed by both Parties. The terms and conditions of any such extension will remain the same as the original Agreement, as amended.
- 14.1.3. Under no circumstances will this Agreement be extended beyond June 30, 2029.

14.2. Agreement Changes

- 14.2.1. Amendments to the Agreement. The Agreement may be modified only through an Amendment within the scope of the Agreement, signed by an authorized representative of AHCCCS and Tribe. Changes to the Agreement, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the procurement officer in writing or made unilaterally by the Tribe are violations of the Agreement. Such changes, including unauthorized written Amendments will be void and without effect, and the Tribe will not be entitled to any claim under this Agreement based on those changes.
- 14.2.2. Amendments to AHCCCS Policies Incorporated by Reference. When AHCCCS amends one of the policies incorporated by reference into this Agreement, AHCCCS will notify Tribe through the AHCCCS Policy Committee process and post the amendment to its website. The Tribe may object in writing to the policy amendment within thirty days of notice of the change or the date that AHCCCS posted the policy amendment to its website, if later. If the Tribe objects to the policy amendment, AHCCCS may terminate the Agreement. If the Tribe does not object to the policy amendment as provided above, the policy amendment will be deemed to have been accepted by the Tribe even if the Tribe does not sign the amendment.

- 14.3. Assignment and Delegation: The Tribe will not assign any right nor delegate any duty under this Agreement without the prior written approval of AHCCCS. AHCCCS will not unreasonably withhold approval.
- 14.4. Offshore Performance of Work Prohibited: Any services that are described in the scope of work that directly serve the State of Arizona or its clients and involve access to secure or sensitive data or personal client data will be performed within the defined territories of the United States. Unless specifically stated otherwise in the specifications, this paragraph does not apply to indirect or overhead services, redundant back-up services, or services that are incidental to the performance of the Agreement. This provision applies to work performed by subcontractors at all tiers.
- 14.5. Licenses: The Tribe will maintain in current status all federal, state and local licenses and permits required for the operation of the business conducted by the Tribe.
- 14.6. Agreement Interpretation
 - 14.6.1. Governing Law. This Agreement will be interpreted under the applicable laws of the United States, State of Arizona, and the Gila River Indian Community. If any laws conflict, the laws of the United States will control.
 - 14.6.2. Severability. The provisions of this Agreement are severable. Any term or condition deemed illegal or invalid will not affect any other term or condition of the Agreement.
 - 14.6.3. No Parole Evidence. This Agreement is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade will supplement or explain any terms used in this document and no other understanding either

- oral or in writing will be binding.
- 14.6.4. No Waiver. Either party's failure to insist on strict performance of any term or condition of the Agreement will not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.
- 14.6.5 Conflict with Policy or AHCCCS guidance. If there is a conflict between this Agreement and any policies, statements, guidance documents or other information provided by AHCCCS, this Agreement shall govern.
- 14.7. Agreement Remedies
- 14.7.1. Notice and Opportunity to Cure. In the event of a breach of the Agreement, the non-breaching party must notify the breaching party of the breach in writing. If the breach is capable of cure, the non-breaching party must describe how the breach can be cured and identify a reasonable deadline by which any cure must be completed.
- 14.7.2. Corrective Action Plans. AHCCCS and the Tribe may collaboratively develop a corrective action plan to address a breach of this Agreement. The Tribe will implement the corrective action plan to bring performance into compliance with the Agreement in accordance with the corrective action plan, and within a reasonable timeframe.
- 14.7.3. Non-exclusive Remedies. The rights and the remedies of AHCCCS or Tribe under this Agreement are not exclusive.
- 14.7.4. Technical Assistance. AHCCCS' provision of technical assistance to the Tribe to assist in achievement of compliance with any relevant Agreement terms does not relieve the Tribe of its obligation to fully comply with any relevant Agreement term or any other terms of this Agreement.
- 14.7.5. Right of Offset. AHCCCS will be entitled to offset against any sums due the Tribe, any expenses or costs incurred by AHCCCS, or damages or sanctions assessed by AHCCCS concerning the Tribe's non-conforming performance or failure to perform the Agreement following exhaustion of any applicable administrative procedures.
- 14.7.6. Sanctions
- 14.7.6.1. AHCCCS reserves the right to impose financial sanctions if the Tribe engages in any of the following conduct:
- a) Material misrepresentation or falsification of information provided to AHCCCS;
 - b) Material misrepresentation or falsification of information provided to a Member, potential Member, subcontractor or health care provider;
 - c) Material noncompliance with quality of care or quality management requirements;
 - d) Submitting incomplete or inaccurate reports, deliverables or other information requested by AHCCCS;
 - e) Submitting reports, deliverables or other information requested by AHCCCS more than 180 days after the deadline for production; or
 - f) Engaging in conduct which jeopardizes Federal Financial Participation or other federal funding.
- 14.7.6.2. AHCCCS will consider the severity of the violation to determine the amount of sanction. The amount of the sanction will be proportionate to the severity of the non-compliance action.
- 14.7.6.3. AHCCCS will provide written notice to the Tribe specifying the amount of the sanction, the grounds for the sanction, the amount of funds to be withheld from the Tribe's payments, the steps necessary to avoid future sanctions and the Tribe's right to file a claim dispute to challenge the sanction.
- 14.7.6.4. The Tribe will complete all necessary steps to correct the violation that precipitated the sanction. AHCCCS may impose additional sanctions, which may be equal to or

greater than the sanction imposed for the unresolved violation, in the event the Tribe fails to adequately correct the violation within established timeframes. Sanctions are not subject to the Notice and Opportunity to Cure provisions in section 14.7 ("Agreement Remedies").

14.8. Agreement Termination

- 14.8.1. Cancellation for Conflict of Interest. AHCCCS may cancel this Agreement within three (3) years after Agreement execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the State is or becomes, at any time while the Agreement or an extension of the Agreement is in effect, an employee of or a consultant to any other party to this Agreement with respect to the subject matter of the Agreement. The cancellation will be effective when the Tribe receives written notice of the cancellation unless the notice specifies a later time.
- 14.8.2. Gratuities. AHCCCS may, by written notice, terminate this Agreement, in whole or in part, if the State determines that employment or a gratuity was offered or made by the Tribe or a representative of the Tribe to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing of the Agreement, an amendment to the Agreement, or favorable treatment concerning the Agreement, including the making of any determination or decision about Agreement performance. AHCCCS, in addition to any other rights or remedies, will be entitled to recover exemplary damages in the amount of three times the value of the gratuity offered by the Tribe.
- 14.8.3. Suspension or Debarment. AHCCCS may, by written notice to the Tribe, immediately terminate this Agreement if AHCCCS determines that the Tribe has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of an Agreement will attest that the Tribe is not currently suspended or debarred. If the Tribe becomes suspended or debarred, the Tribe will immediately notify AHCCCS.
- 14.8.4. Termination for Convenience. Upon thirty (30) days written notice to the other Party, either Party may terminate the Agreement, in whole or in part, without penalty or recourse. The Tribe will be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination.
- 14.8.5. Termination for Default. Subject to section 14.7 ("Agreement Remedies"), in addition to the rights reserved in the Agreement, AHCCCS may terminate the Agreement in whole or in part due to the failure of the Tribe to materially comply with any term or condition of the Agreement, or to make satisfactory progress in performing the Agreement. The Procurement Officer will provide written notice of the termination and the reasons for it to the Tribe.
- 14.8.6. In the event that the Agreement terminates for any reason, the Parties agree to collaborate on transitioning the care of any Members potentially affected by the termination within a reasonable period of time. The Parties agree to work together to ensure that such a transition occurs in an orderly manner and without significant disruption in services to Members.

14.9. Sovereign Immunity: Except as provided in section 14.10.4.3 ("Enforcement") below, nothing in this Agreement will be construed as an express or implied waiver of either Party's sovereign immunity from suit in any forum or jurisdiction.

14.10. Agreement Disputes and Arbitration

- 14.10.1. In the event of a dispute, claim or controversy ("Dispute") arising out of or related to this Agreement, the Parties agree that it is in their mutual best interest to meet as promptly as possible for the purpose of informally resolving said Dispute.
- 14.10.2. In the event that the Parties cannot resolve their Dispute informally after attempting to work in good faith toward resolution, the Parties agree that Disputes arising out of this Agreement will be

administratively adjudicated in accordance with A.R.S. § 2903.01(b)(4), the relevant portions of Arizona's Administrative Procedures Act, and AHCCCS' rules pertaining to appeals and grievances, except that the Tribe may elect to enter into binding arbitration to dispute a Director's Decision rather than file for a judicial review of an administrative decision.

14.10.3. After exhausting applicable administrative remedies, the Parties to this Agreement agree to resolve all Disputes arising out of or relating to this Agreement through binding arbitration as provided in the Arbitration and Award provisions in section 14.10.4.

14.10.4. Arbitration and Award

14.10.4.1. Upon notice by a Party to the other of the intent to arbitrate, the Dispute will be finally and exclusively settle by submission of such Dispute to the American Arbitration Association ("AAA") under its then prevailing procedural rules contained in the AAA's Commercial Arbitration Rules to the extent that such rules will not be interpreted to diminished, limit or void the limited waiver of sovereign immunity set forth in Section 14.9 ("Sovereign Immunity") above or to increase the enforcement right of the Parties. Within ten (10) days after the notice of intent to arbitrate, each party will select one person to act as arbitrator and the two selected will select a third arbitrator within ten (10) days of their appointment. The third arbitrator will be a practicing attorney, actively engaged in the practice of law for at least ten (10) years and a member in good standing of the bar of the State of Arizona. Alternatively, the third arbitrator may be retired judge of the federal court or the trial court of the State of Arizona. At least one of the arbitrators will be knowledgeable with federal Indian law and one arbitrator will have AAA-acknowledged expertise in the appropriate subject matter. By agreement of the parties, when the amount in controversy renders the cost of three arbitrators unreasonable, the parties may agree to select a single arbitrator to resolve a dispute. All arbitrators proceedings will be held in Maricopa County, or at such other place as will be agreed by the Parties.

14.10.4.2. The award will be made within sixty (60) days of the filing of the notice of intent to arbitrate, and the arbitrators will agree to comply with the schedule before accepting appointment. However, this time limit may be extended by agreement of the Parties or by the majority of the Parties or by the majority of the arbitrators, if necessary. Any award rendered in any such arbitration proceeding will be final and binding upon all Parties to the proceeding.

14.10.4.3. Enforcement

- a) Judgment upon any award rendered by the arbitrators may be entered only in the U.S. District Court for the District of Arizona.
- b) For the purposes of this Agreement, and subject to the terms of this section, the Parties agree to a limited waiver of sovereign immunity from suit and consent to be sued on an arbitration award. The Parties agree that this section provides a limited waiver of sovereign immunity solely for the purpose of enforcing any arbitration award hereunder and for no other purpose.

14.10.5. AHCCCS may take any action described in the Financial Provisions, and/or sections 14.7 ("Agreement Remedies") or 14.8 ("Agreement Termination") of these Terms and Conditions prior to initiating or engaging in any process described under Section 14.10 ("Agreement Disputes and Arbitration") of these Terms and Conditions. The Tribe may use the process described under Section 14.10 ("Agreement Disputes and Arbitration") of these Terms and Conditions to appeal such an action.

14.11. Subcontracts. The Tribe will not enter into any subcontract under this Agreement for the performance of any function required by this Agreement without advance written approval by AHCCCS. The Tribe will clearly list any proposed subcontractors and the subcontractor's proposed responsibilities. The

subcontract will incorporate by reference the Terms and Conditions of this Agreement.

- 14.12. Cooperation with Other Contractors: AHCCCS may award other contracts for additional or related work and the Tribe will fully cooperate with such other contractors and carefully fit its own work to such other contractors' work. Tribe shall not commit or permit any act which will interfere with the performance of work by any other contractor or by AHCCCS employees. AHCCCS will equitably enforce this section to all contractors to prevent the imposition of unreasonable burdens on any contractor.
- 14.13. No Guaranteed Quantities. AHCCCS does not guarantee the Tribe any minimum or maximum quantity of services or goods to be provided under this contract.
- 14.14. Survival of Rights and Obligations after Agreement Expiration or Termination
 - 14.14.1. Any provision of this Agreement that contemplates performance or observance subsequent to termination or expiration of this Agreement will survive termination or expiration of this Agreement and continue in full force and effect.
 - 14.14.2. All representations and warranties made by the Tribe under this Agreement will survive the expiration or termination hereof.

15. Compliance

- 15.1. Reporting Fraud, Waste and Abuse. The Tribe will report, in writing, all cases of suspected fraud, waste and/or abuse involving the programs administered by AHCCCS to the AHCCCS Office of the Inspector General ("OIG"). To report fraud, waste and/or abuse, the Tribe will complete the AHCCCS "Referral for Preliminary Investigation" form and submit it to AHCCCS-OIG with a copy sent to AHCCCS-DFSM.
- 15.2. Records.
 - 15.2.1. Throughout this Agreement, "records" will include, but not be limited to, financial statements, case files (both hard copy and stored data), books, data, and any other documents relating to the acquisition and performance of the Agreement.
 - 15.2.2. All records will be maintained to the extent and in such detail as required by AHCCCS Rules and Policies. The AHCCCS records management guidelines are located in AMPM Section 1620-L.
 - 15.2.3. At any time during the term of this Agreement and five (5) years thereafter, the Tribe's or any subcontractor's records will be subject to audit by AHCCCS and, where applicable, the Federal Government, to the extent that the records relate to the performance of the Agreement or a subcontract. The Tribe will make available, at all reasonable times during the term of this Agreement and the period set forth in in this section, any of its records for inspection, audit or reproduction by any authorized representative of AHCCCS, the State of Arizona or the Federal government. If AHCCCS requests the disclosure of any record(s) from the Tribe, the Tribe will provide the requested record(s) within the timeframe requested by AHCCCS and through the delivery mechanism specified by AHCCCS (e.g. U.S. mail, facsimile, secured email, web portal, etc.).
 - 15.2.4. The Tribe and its subcontractors will preserve and make available all records for a period of five (5) years from the date of final payment under this Agreement except as provided below:
 - 15.2.4.1. If this Agreement is completely or partially terminated, the records relating to the work terminated will be preserved and made available for a period of five years from the date of any such termination.
 - 15.2.4.2. Records that relate to grievances, disputes, litigation or the settlement of claims arising out of the performance of this Agreement, or costs and expenses of this Agreement to which exception has been taken by AHCCCS, will be retained by the Tribe for a period of five years after the date of final disposition or resolution thereof.
 - 15.2.5. Completed case files will be scheduled for archive shipment to AHCCCS, as defined by AHCCCS Policy and Procedures.

15.2.6. To the extent that the Agreement or applicable law require the disclosure of records to AHCCCS and/or the Federal government, such disclosure will be made at no cost to AHCCCS or the Federal government.

15.3. Confidentiality of Records and Disclosure of Confidential Information:

15.3.1. Mutual Protection of Information

15.3.1.1. Except as required or allowed by law, the Tribe shall not, without prior written approval from AHCCCS, either during or after the performance of the services required by this Agreement, use, other than for such performance, or disclose to any person other than AHCCCS personnel with a need to know, any information, data, material, or exhibits created, developed, produced, or otherwise obtained during the course of the work required by this Agreement. This nondisclosure requirement shall also pertain to any information contained in reports, documents, or other records furnished to the Tribe by AHCCCS.

15.3.1.2. Except as required or allowed by law, AHCCCS shall not, without prior written approval from the Tribe, either during or after the performance of the services required by this Agreement, use, other than for such performance, or disclose to any person other than the Tribe's personnel with a need to know, any information, data, material, or exhibits created, developed, produced, or otherwise obtained during the course of the work required by this Agreement. This nondisclosure requirement shall also pertain to any information contained in reports, documents, or other records furnished to the AHCCCS by the Tribe.

15.3.2. The Tribe shall establish and maintain written policies procedures and controls, approved by AHCCCS, governing access to, duplication of, and dissemination of all such information for the purpose of assuring that no information contained in its records or obtained from AHCCCS or others carrying out its functions under the Agreement, is used or disclosed by it, its agents, officers or employees, except as required to efficiently perform duties under the Agreement. Persons requesting such information shall be referred to AHCCCS. The Tribe's data safeguard program shall further conform to the data confidentiality and security requirements of AHCCCS policy and procedures, and all-relevant state and federal requirements, including HIPAA standards.

15.3.3. The disclosure of information in summary, statistical, or other form that does not identify particular individuals is permitted only with prior AHCCCS approval. The use or disclosure of information concerning Members will be limited to purposes directly connected with the scope of this Agreement.

15.3.4. The Tribe shall advise its employees, agents and subcontractors, if any, that they are subject to these confidentiality requirements. A signed confidentiality statement containing language approved by AHCCCS will be obtained from all employees, agents and subcontractors, if any, and maintained in the individual's personnel file with a copy sent to AHCCCS upon request.

15.4. Audits and Inspections.

15.4.1. The Tribe will cooperate with AHCCCS and/or the Federal government in any audit, review, investigation and/or request for information of the Tribe and/or its subcontractors. In no event will this Agreement be construed to authorize any audit, review, investigation and/or request for information outside the scope of this Agreement.

15.4.2. Audits: AHCCCS may conduct periodic audits to confirm the Tribe's and subcontractor(s)' compliance with applicable law and this Agreement. These audits include, but are not limited to:

15.4.2.1. Case Management Service Review

- a) AHCCCS will conduct a Case Management Service Review for the purpose of ensuring compliance with applicable law and this Agreement, every two years.
- b) The Case Management Service Review will be conducted to recommend

improvements, monitor the Tribe's progress toward implementing mandated programs and corrective action plans, and provide the Tribe with technical assistance as necessary.

- c) In preparation for the Case Management Service Review, AHCCCS will work with the Tribe to identify and request records needed for the Review. AHCCCS and the Tribe will work together in good faith to define the scope of the audit and schedule any on-site meetings for a mutually-convenient time.
- d) AHCCCS will furnish a copy of the Case Management Service Review Report to the Tribe promptly and give the Tribe an opportunity to comment on any review findings. AHCCCS and the Tribe will develop a Corrective Action Plan to correct any deficiencies identified in the Case Management Service Review Report.
- e) AHCCCS may conduct follow-up reviews to monitor the Tribe's progress in implementing the Corrective Action Plan.

15.4.2.2. AHCCCS Ad Hoc Reviews: In addition to any other inspections, audits or reviews described in the Agreement, AHCCCS may conduct an ad hoc audit or review anytime it reasonably believes that the Tribe and/or a subcontractor may be out of compliance with the Agreement or any law pertaining to the Agreement, or that the health or safety of a Member is endangered.

15.4.2.3. Program Integrity Review

- a) AHCCCS-OIG and/or AHCCCS-DFSM may conduct audits of the Tribe and/or its subcontractors without notice for the purpose of ensuring program integrity.
- b) Upon notice that an audit involves program integrity, the Tribe will respond to electronic, telephonic or written requests for information within the reasonable timeframe specified by AHCCCS-OIG and/or AHCCCS-DFSM.

15.4.2.4. Inspections: Should it be necessary for AHCCCS personnel to conduct an onsite review of the Tribe and/or any of its subcontractors, the Tribe will cooperate with AHCCCS to obtain a right of entry from the tribal government.

- a) If the Tribe notifies AHCCCS that it has permission to enter tribal lands, AHCCCS will rely on that notification as permission to enter tribal lands.
- b) If the Tribe cannot obtain a right of entry for AHCCCS from the tribal government within a reasonable timeframe requested by AHCCCS, such failure will constitute a material breach of the Agreement and AHCCCS may terminate the Agreement.

15.5. Compliance with Laws, Regulations, and Policies

15.5.1. AHCCCS and the Tribe will comply with all applicable Federal and State laws, regulations, standards, and Executive Orders without limitation to those specifically designated herein.

15.5.2. All AHCCCS guidelines, policies and manuals, including but not limited to the following: AHCCCS Medical Policy Manual, AHCCCS Covered Behavioral Health Services Guide, AHCCCS Fee-For-Service Manual, AHCCCS Claims Clues, Tribal ALTCS Digital Toolbox, and Reporting Guides are hereby incorporated by reference into this Agreement. Guidelines, policies and manuals are available on the AHCCCS website.

16. Risk and Liability

16.1. Indemnification. Each party (as "Indemnitor") agrees to defend, indemnify, and hold harmless the other party (as "Indemnitee") from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "Claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such Claims which result in vicarious/derivative liability to the Indemnitee are caused by the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. The State of Arizona, AHCCCS, is self-insured per A.R.S. 41-621. Tribe is covered by the Federal Tort Claims Act.

- 16.2. Should the Tribe utilize a contractor(s) or subcontractor(s) to fulfill the terms of this Agreement, the indemnification clause between the Tribe and its contractor(s) and subcontractor(s) will include the following:

To the fullest extent permitted by law, Tribe will defend, indemnify, and hold harmless the Gila River Indian Community, Gila River Health Care Corporation, and the State of Arizona, and any jurisdiction or agency issuing any permits for any work arising out of this Agreement, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the contractor or any of the directors, officers, agents, or employees or subcontractors of such contractor. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee will, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by such contractor from and against any and all claims. It is agreed that such contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Additionally on all applicable insurance policies, contractor and its subcontractors will name the Indemnitee as an additional insured and also include a waiver of subrogation in favor of the Indemnitee.

- 16.3. The Tribe will add to its contract(s) with any non-governmental contractor(s) or subcontractor(s) performing services in performance of this Agreement that the contractor(s) or subcontractor(s) will comply with the Minimum Subcontract Provisions found on AHCCCS' website. The Tribe has the discretion, based on the work performed by the Tribe's contractor(s) or subcontractor(s), to determine which of the insurance provisions in the Minimum Subcontract Provisions apply to each of the Tribe's contractor(s) or subcontractor(s).
- 16.4. Responsibility for Payments: The Tribe will be responsible for issuing payment for services performed by the Tribe's employees and will be responsible for and hold AHCCCS harmless for all claims whatsoever growing out of the lawful demands of employees, contractors, subcontractors, suppliers, or any other third party incurred in the furtherance of the performance of the Agreement. The Tribe will, at AHCCCS' request, furnish satisfactory evidence that all obligations described under this subsection have been paid, discharged or waived.
- 16.5. Force Majeure.
- 16.5.1. Except for payment of sums due, neither Party will be liable to the other nor deemed in default under this Agreement if and to the extent that such Party's performance of this Agreement is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts; or failures or refusals to act by government authority; and other similar occurrences beyond the control of the Party declaring force majeure which such Party is unable to prevent by exercising reasonable diligence.
- 16.5.2. Force Majeure will not include the following occurrences:
- 16.5.2.1. Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market;
- 16.5.2.2. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or
- 16.5.2.3. Inability of either the Tribe or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits.
- 16.5.3. If either Party is delayed at any time in the progress of the work by force majeure, the delayed Party will notify the other Party in writing of such delay, as soon as is practicable and no later than the following working day, of the commencement thereof and will specify the causes of such delay in such notice. Such notice will be delivered or mailed certified-return receipt and will make a specific reference to this article, thereby invoking its provisions. The delayed Party will cause such delay to cease as soon as practicable and will notify the other party in writing when it has done so. The time of completion will be extended by Amendment for a period of time equal to the time that results or effects of such delay prevent the delayed Party from performing in accordance with this Agreement.
- 16.5.4. Any delay or failure in performance by either party hereto will not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.
