The AHCCCS Contract and Policy Dictionary provides a centralized location for definitions that are utilized in various ACOM and AMPM Policies. A hyperlink to the location of the AHCCCS Contract and Policy Dictionary has been added to applicable policies. AHCCCS is in the process of adding an area within the Definition Section of all policies that identifies terms used/referenced in that policy to encourage viewing of the AHCCCS Contract and Policy Dictionary to better understand how AHCCCS defines the word or term. However, some policies have specific terms/definitions that may have a slightly different meaning for that respective Policy; those terms/definitions will remain in the Policy and will include a statement indicating 'For purposes of this Policy only'.
