SUBJECT: AHCCCS Medical Policy Manual (AMPM)
Update, 2015-12

Revisions and updates have been made to the following:

CHAPTER 300, POLICY 310-T: PHYSICIAN SERVICES

Policy 310-T has been revised to clarify and add language that reinforces the exclusion of allergy immunotherapy as a covered benefit for persons age 21 years and older. Allergy immunotherapy remains covered for persons under the age of 21 under EPSDT when medically necessary, which is described in Chapter 400.

The Effective Date for the above change is 09/01/2015.
